Live Music and Dance

Blistered Fingers is an awesome, fast moving, traditional Bluegrass band that cranks out incredibly enthusiastic music. They deliver high-energy music and a truly superb stage show, which will long be remembered by those present.

Wilf Clark & The Misty Mountaineers are a traditional hard driving Bluegrass act with their beginnings in 1975, a fan favorite ever since. They are a standard every year at The Blistered Fingers Festival in Sidney, and current members of The Old Tyme Jamboree at Saint Albans.

Le Famille LeBlanc started out in 1991 working hard to improve their sound while remembering family first and stressing the importance of having fun. No matter where they are in the world, the music always brings this family together.
